

Sun Wing Development Limited

Foreword

2008, is not only a special year for all the Chinese due to the opening of Olympic Game in Beijing, but also a special year for SUN WING. We will celebrate our 20th anniversary in the coming year. 20 years is not a long history for a company. But, for most of the Asian or Hong Kong companies, it is definitely the most unforgettable 20 years.

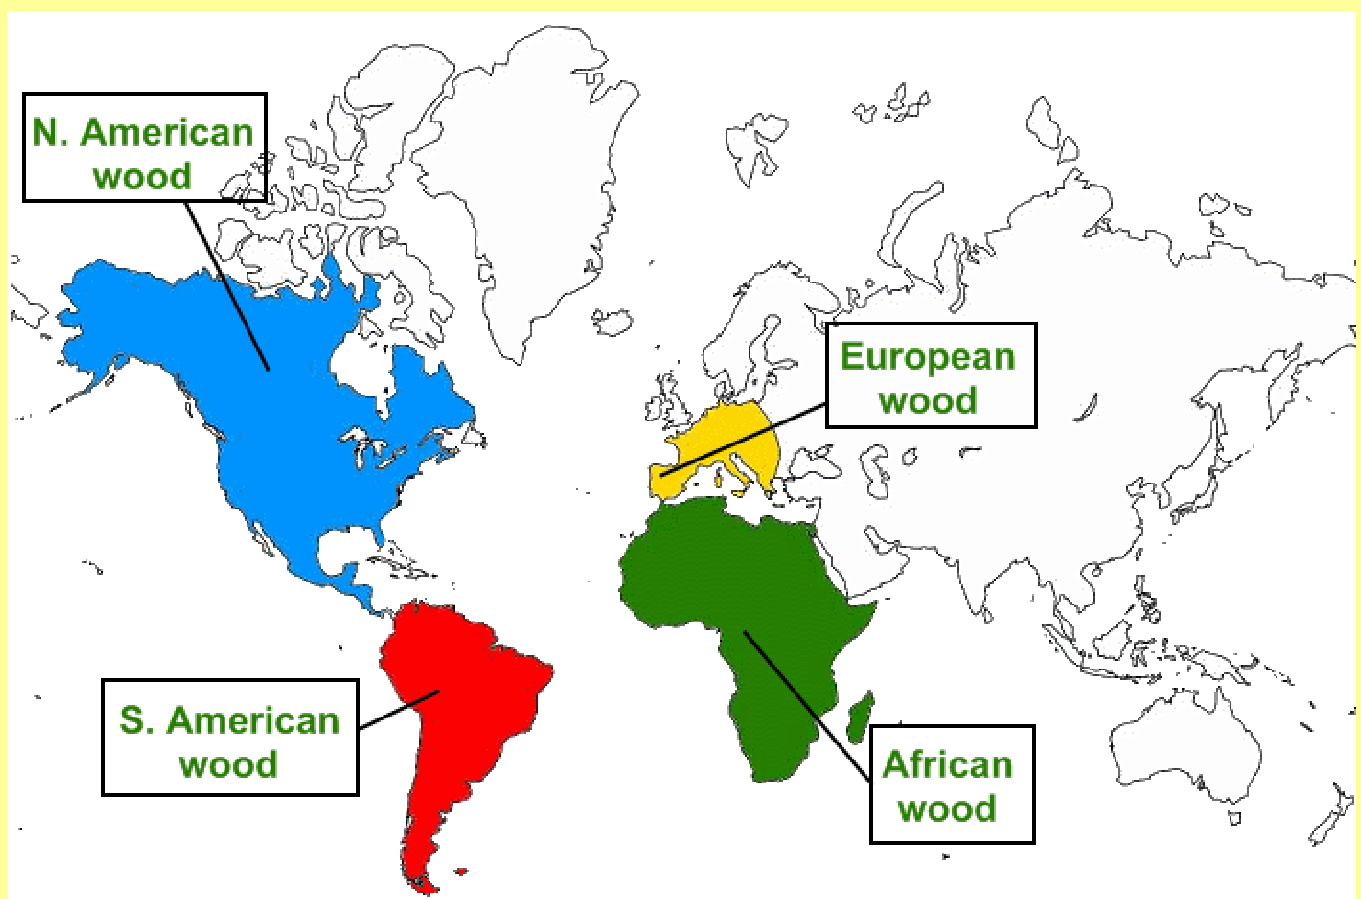

Table Of Content

- Introduction
- European Hardwood
- North American Hardwood
- South American Hardwood
- African Hardwood

Introduction

Sun Wing is a Hong Kong-based company founded on 1988. Our headquarter is situated in Hong Kong, one of the most important financial centre in Asia and also in the world while our production line has shifted to Canton region in China.

European Hardwood (Beech)

Binominal name:

Fagus sylvatica

Origin from Southern Sweden to central Italy, west to France, northern Portugal and central Spain.

Because of the high density, beech is widely used in different areas

Availability:

- (1) Fresh cut logs;
- (2) Unedged boards;
- (3) Square-edged boards.

North American Hardwood (Oak)

Binominal name:

Quercus alba

Origin from eastern North America, from southern Quebec west to eastern Minnesota, and south to northern Florida and eastern Texas. Because of the high density, oak is widely used in different areas.

**Availability:**

- (1) Fresh cut logs;
- (2) Square-edged boards.

South American Hardwood (marupa)

Binominal name:

Simarouba amara Aubl.

Origin from South American, Central American and Caribbean area. Application is very wide : fabrication of plywood, fiberwood and musical instrument.

**Availability:**

- (1) Fresh cut logs;
- (2) Square-edged boards.

African Hardwood

**Specialized in Sapele, Mahogany, Okoume,
Bubinga, Afromonsia, Wenge...**
